Mr. Noble, War Room.

NEBEL.

I attach an R.B. Trace Summary on the above case.

This relates to the report prepared by Lord Rothschild to which Mr. Bird referred in his letter to the War Room of 15.12.44. A copy of this summary has been sent to Miss Clay.

The story in this second report does not differ materially, apart from the additional names mentioned, from the earlier version and there is no reason to believe that it is not substantially accurate.
